Mr. Eugene Townsend
Superintendent

Sir,

We have expended
\$174.60 of \$300.00 appropriation for "Coins and Ceres".
And this bill of \$74.50 will bring it up to
\$249.10. leaving a balance of \$50.90 unexpended,
which I would like to use up before the
expiration of the fiscal year.

The list of coins and medals in this
requisition, I selected from a number sent
here by H. S. & N. Chapman, (Coin dealers) for
approval. Some of them are very rare,
and all will add to the interest of the
Cabinet. The prices are fair, and not too
high.
